

YEAR 11 WORK EXPERIENCE

WHY?

- ◉ Work experience will be offered to all Year 11 students.
- ◉ If you are intending to stay on at Aldersley High for Sixth Form, work experience is part of the application process. Induction fortnight will be Monday 29 June 2017. WEX will be 3-7 July 2017
- ◉ You will be required to find a suitable work placement yourself and bring information into school for processing.

WHAT'S THE POINT?

- ◉ Find out what career path to take
- ◉ Spend time in a business environment
- ◉ Learn teamwork skills
- ◉ Do you really want to work in retail? Find out by going out on work experience

By doing work experience it give us valuable skills that employers, universities, colleges, training providers look for when recruiting

CAN I GO ANYWHERE?

- ◉ The answer to this is yes....but!

All placements that students attend need to be risk assessed for suitability. We have a database of thousands of companies, but if you bring a new company forward we would need to carry out these checks before you attend.

WHAT NEXT?

- ◉ The earlier you get it organised the better, you don't want to be sorting out placements whilst revising for GCSE's.
- ◉ Ideally all placements need to be arranged by the end of the Autumn term 2016.
